

# Rrahim Maksuti

---

## Personal data

**Faculty:** Faculty of Applied Sciences

**Academic title:** Prof. Dr.

**Email:** rrahim.maksuti@unite.edu.mk

### *Languages*

#### **Native Language:**

Albanian

#### **Foreign Language(s):**

English - Intermediate (B1)

### *Education*

#### **September 2000 - December 2004: PhD**

**University:** University of Prishtina

**Faculty:** Faculty of Mining and Metallurgy

**City:** Mitrovica

**Thesis:** Impact of the Microstructural Changes on the Properties of the Welded Joint of Steel Pipes

#### **September 1980 - February 1986: Master**

**University:** University of Belgrade

**Faculty:** Center for Multidisciplinary Study

**City:** Belgrade

**Thesis:** Impact of Cold Deformation and Heating on the Microstructural Characteristics of Steel Sheets

#### **October 1973 - March 1978: Bachelor**

**University:** University of Prishtina

**Faculty:** Technical Faculty

**City:** Prishtina

**Thesis:** Characteristics of Metal Flow During Cold Deformation

### *Work experience*

#### **July 1978 - August 1990: Manager of the Quality Control of Finished Products**

IMK-Factory for the Production of Welded Steel Pipes and Profiles  
Ferizaj

#### **December 2010 - January 2017: Assoc. Prof. Dr.**

University of Tetova  
Tetova

**February 2017 - Present: Prof. Dr.**

University of Tetova

Tetova
