Macedonian - Fluent (C2)

Education

October 2017 - May 2023 : PhD Doctor of Mathematics and its applications

University: University "Cyril and Methodius"

Faculty: Faculty of Natural Sciences and Mathematics

City: Skopje

Thesis: Analytical comparison of several numerical methods of approximate solution of systems with fractional differential equations

October 2015 - August 2017 : Master Master of Mathematics

University: University of Tetova

Faculty: Faculty of Natural Sciences and Mathematics

City: Tetova

Thesis: Interpretation of ternary structures in affine and projective plans

September 2011 - September 2015 : Bachelor Professor of Mathematics

University: University of Tetova

Faculty: Faculty of Natural Sciences and Mathematics

City: Tetova

Thesis: Continuous time Markov Chains. Some applications

Work experience

October 2015 - June 2016 : Professor of Mathematics

Nikola Shtejn Medical High School

Tetova

September 2016 - September 2018 : Professor of Mathematics

Istikbal Primary School
Tetova

September 2018 - June 2019 : Professor of Mathematics

Kiril Pejcinovic High School
Tetova

October 2018 - May 2020 : Asst. of Mathematics (External Collaborator)

Balkan University
Skopje

September 2015 - December 2020 : Asst. of Mathematics (External Collaborator)

University of Tetova
Tetova

December 2020 - December 2023 : Asst. of Mathematics (Internal Collaborator)

University of Tetova
Tetova

December 2023 - Present : Docent

University of Tetova
Tetova
